6:26 p.m. Kingston Board of Health Meeting was called to order by Joe Casna.

BILLS:

- Bills for September 22, September 25, September 26, and September 28, 2023, reviewed.

APPOINTMENTS:

Brian Donahoe of the Sewer Commission spoke regarding the Sewer Commission Article that was not passed at the pre-Town Meeting but is coming up at the special Town Meeting on October 24th. State funding for the replacing of existing leeching field at Indian Pond Estates, and possible expansion. He would like the BOH to vote unanimously to support the article. Heidi expressed her concern about the leeching field being made so big, will it increase the capacity for housing and, therefore, increase the population that the BOH will need to care for? Brian stated what they are doing now does not address this. It is for existing dwellings. A Zoning and Planning issue. Bill Kavol asked if it will force some to hook up to sewer. Brian said no.

6:50 pm Motion made by Joe Casna to support the article for the special Town Meeting on October 24, 2023.
